

ASSEMBLY INSTRUCTIONS

**COLORADO
ELECTRIC RECLINER
ARMCHAIR**

Colorado Power Motion Chair

Please follow these instructions carefully in order to ensure your new sofa is assembled in the correct manner.

Please do not use a sharp implement when unpacking your furniture as this may damage the fabric.

Please note that any creases in the fabric are as a result of the packaging and are perfectly normal. These will diminish over the first few weeks of use at room temperature.

STEP 1

Remove the chair back main cushion (x1) and transformer (x1) from the chair.

STEP 2

Ensure the connecting clips are aligned and then (with a person at each end) lower the back section into the base applying firm pressure until you hear a 'click' and the back is secure.

STEP 3

Attach the back cover to the velcro strip to secure.

STEP 4

Connect the cable from the chair into the transformer provided and plug into a standard mains socket.

STEP 5

Press the front button to recline your furniture.

STEP 6

Press the rear button to return to the upright position.

STEP 7

Please do not sit on the foot rest!

*Failure to correctly assemble your furniture may affect your warranty
