

# **ASSEMBLY INSTRUCTIONS**

**GOODWOOD FABRIC  
ELECTRIC RECLINER  
ARMCHAIR**

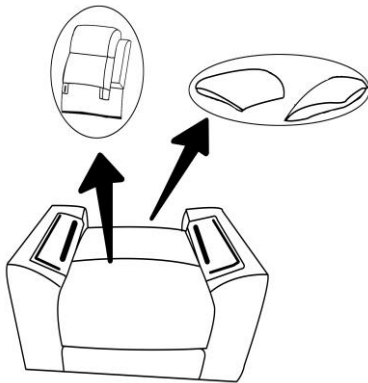

Please follow these instructions carefully in order to ensure your chair is assembled in the correct manner.

Please do not use a sharp implement when unpacking your furniture as this may damage the fabric.

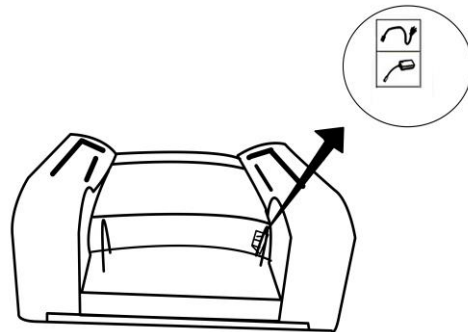

Please note that any creases in the fabric are as a result of the packaging and are perfectly normal. These will diminish over the first few weeks of use at room temperature.

#### STEP 1

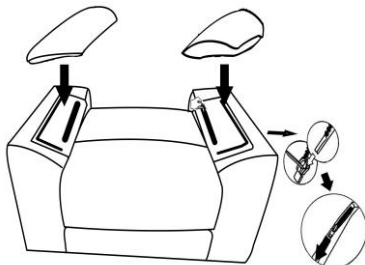

Remove the back cushion and arm pads from the chair, as shown above.

#### STEP 2

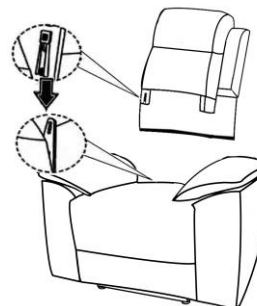

Remove the bag of electrics from the connecting clip on the back of the chair.

#### STEP 3

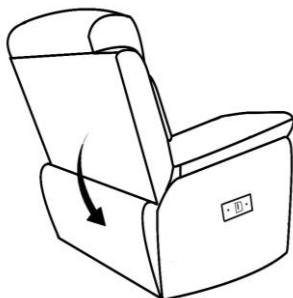

Remove the protective backing cloth from the Velcro strips, position the arms using the Velcro to secure in place and attach with the zip, as shown above.

#### STEP 4

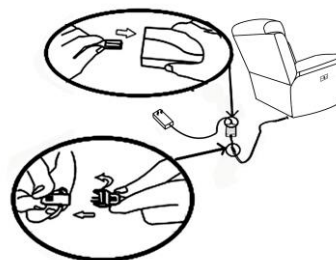

When fitting sofa backs ensure the connecting clips are aligned and then lower the back section into the base applying firm pressure until you hear a 'click' and the back is secure.

#### STEP 5

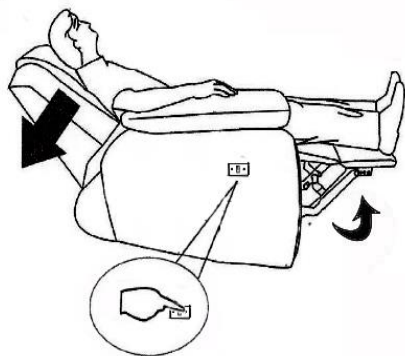

Attach the back cover to the velcro strip at the bottom to secure.

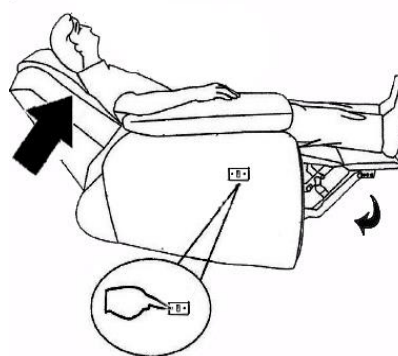

#### STEP 6

Connect the power as shown above.

**STEP 7**

Press the front button to recline your furniture.

**STEP 8**

Press the rear button to return to the upright position.

**STEP 9**

Please do not sit on the foot rest!

**STEP 10**

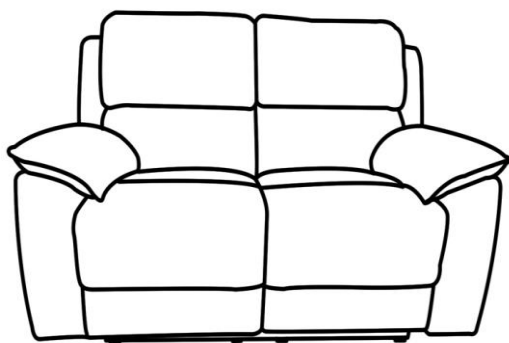

Please do not sit on the arm rest!

\*Failure to correctly assemble your furniture may affect your warranty
