Immediate cover

Protection under your Furniture Guard policy starts as soon as your furniture is delivered into your home. In the unlikely event your furniture is damaged during delivery, this will be fully repaired (free of charge) under the manufacturer's warranty.

When something happens

Just call our claim line on **0191 258 8115**, and we will arrange for a fully qualified technician to visit your home.

No nonsense protection

The damage will be assessed and if possible, repaired there and then. If a replacement is needed, we will take care of that too.

Unlimited claims

If you claim for accidents on your home insurance you may pay an excess each time you claim, which can increase your premiums. With Furniture Guard you can contact us as many times as you need without paying any excess. Should you need to make a claim, **Claim Limits may apply, as set out on page 5.**
